

**Platte River Planning Basin Timeline**

Task no.	Task name	2003				2004				2005												
		S	O	N	D	J	F	M	A	M	J	J	A	S	O	N	D	J	F	M	A	
1	Project Meetings																					
2	Basin Water Use Profile																					
2A	Agricultural water use																					
2A-1	Determine irrigated acreages																					
2A-2	Estimate crop types																					
2A-3	Estimate crop consumptive use																					
2A-4	Determine sources of supply																					
2B	Municipal and domestic use																					
2C	Industrial use																					
2D	Recreational use																					
2E	Environmental use																					
2F	Water storage																					
3	Available Water Determination																					
3A	Collect surface water data and determine study period																					
3B	Synthesize surface water data/develop educational tool																					
3C	Determine available groundwater																					
4	Demand Projections																					
4A	Review economic, demographic, and other data																					
4B	Identify planning scenarios																					
4C	Define methodology																					
4D	Construct and calibrate forecasting models																					
4E	Project water demands																					
5	Future Water Use Opportunities																					
5A	Describe issues affecting future water use opportunities																					
5B	Define water use component screening criteria																					
5C	Develop long list of future water use opportunities																					
5D	Develop short list of future water use opportunities																					
5E	Apply screening criteria to rank short list opportunities																					
5F	Water quality issues																					
6	BAG Discretionary Task																					
7	Basin Planning Report																					
8	Proposed Scope Alternates																					
8A	Hydrography Fill-in																					

8B	HydrographY Complete			■																	
8C	IMS Educational Tool							■	■	■	■	■	■	■	■	■					
8D	Public Outreach			■				■				■				■				■
