

2009 Green River Basin Plan II Bibliography

AREA	AUTHOR	TITLE	DATE
Baggs	Weston Groundwater Engineering	Town of Baggs, Wyoming Alluvial Well Project, Executive Summary	Jan, 2000
		Town of Baggs, Wyoming Alluvial Well Project, Final Report	Jan, 2000
	AVI	Town of Baggs, Wyoming Water Supply Project Level II, Final Report	Nov, 2000
		Town of Baggs, Wyoming Water Supply Project Level II, Executive Summary	Nov, 2000
	AVI Professional Corporation	Town of Baggs, Wyoming Water Master Plan Level I, Executive Summary	Nov, 2002
		Town of Baggs, Wyoming Water Master Plan Level I, Final Report	Nov, 2002
	Donnell & Allred, Inc.	Baggs Water & Raw Water Supply Level II Report, Executive Summary	Nov, 2004
		Baggs Water & Raw Water Supply Level II Report	Nov, 2004
Bairoil	Hydro-Search, Inc.	Bairoil, Wyoming Groundwater Development Feasibility Exploration Program	Nov, 1983
		Executive Summary of Final Report, Bairoil Water Supply Project Level II	May, 2000
	Lidstone and Associates, Inc.	Bairoil Water Supply Project Level II, Final Report	May, 2000
		Bairoil Water Supply Project Level II, Phase IV, Final Report	Oct, 2001
		Executive Summary of Final Report, Bairoil Water Supply Project Level II, Phase V	May, 2003
		Town of Bairoil Water Supply Project Level II, Phase V Report	May, 2003
Big Piney/Marbleton	Jorgensen Engineering and Land Surveying	Big Piney/Marbleton Level II Water Supply Project Report, Final Report	Nov, 1994
		Big Piney/Marbleton Level II Water Supply Project Report, Executive Summary	Nov, 1994
Big Sandy River	Tipton and Kalmbach, Inc.	Proposed Dam and Reservoir, Big Sandy Control Project	Sep, 1982
	Rick Blatchley	Class III Archeological Investigations Conducted for the Big Sandy River Unit Desalinization Study Sweetwater County, Wyoming, Draft	Nov, 1982
	Greenhorne & O'Mara, Inc.	Big Sandy Salinity Control, Design Review and Alternative Investigation	Dec, 1982
	State of Wyoming	Big Sandy River Unit, Colorado River Water Quality Improvement Program	Dec, 1982
	Fox Consulting Engineers	Lower Big Sandy Reservoir and Dam Geotechnical and Geological Feasibility Investigation	Feb, 1983
	Greenhorne & O'Mara, Inc.	Big Sandy Salinity Control Reservoir Planning, Final Report	Mar, 1984
		Big Sandy Water Supply Project Level II, Final Design Report	Oct, 1993
Bitter Creek	Johnson-Fermelia Company, Inc.	Big Sandy Water Supply Project Level II, Final Design Report, Executive Summary	Oct, 1993
		Rock Springs, Wyoming Flood Control Project, Bitter Creek Tributaries Level II Feasibility Study, Phase 1A Report	Feb, 1989
		Bitter Creek Channel Improvement Study, Executive Summary	Sep, 1991
		Bitter Creek Channel Improvement Study, Level II for the City of Rock Springs	Sep, 1991
		Supplement to Level II Report Bitter Creek Channel Improvement Study, September, 1991, and Level II, Phase II Report, Bitter Creek Tributary Flood Study	Nov, 1991
		Bitter Creek Tributary Flood Study, Rock Springs, Wyoming Level II Feasibility Study, Phase II Report	Nov, 1991
		Bitter Creek Tributary Flood Study, Rock Springs, Wyoming Level II Feasibility Study, Phase II Report Executive Summary	Nov, 1991
Black Willow	BRS, Inc.	Black Willow Water Supply Project, Thermopolis, Wyoming Level I Final Report	Nov, 1995
		Black Willow Water Supply Project, Thermopolis, Wyoming Level I Executive Summary	Nov, 1995
Boulter Lake	Rio Verde Engineering	Executive Summary on the Boulter Lake Enlargement Level II Study	May, 2007
		Report on the Boulter Lake Enlargement Level II Study	May, 2007
Bridger Valley		Bridger Valley Water Supply Study Level I Executive Summary	Nov, 1991
		Bridger Valley Water Supply Study Level I	Nov, 1991
		Bridger Valley Water Treatment Plan Analysis, Addition of Pioneer Water and Sewer District	Dec, 1993

	Forsgren Associates	Bridger Valley Water Supply Level II Study	Aug, 1995
		Bridger Valley Water Supply Level II Study Executive Summary	Aug, 1995
	ECI	Bridger Valley Reservoir Level II Study	Jul, 2004
		Bridger Valley Reservoir Level II Study Executive Summary	Jul, 2004
	Gannett Fleming	Bridger Valley Reservoir Level II Phase II Study Final Report	Nov, 2006
		Bridger Valley Reservoir Level II Phase II Study Executive Summary	Nov, 2006
Church Reservoir	Short Elliott Hendrickson Inc	Bridger Valley Reservoir Project Level II Study, Executive Summary	Sept. 2008
		Bridger Valley Reservoir Project Level II Study, Final Report	Sept. 2008
Church Reservoir	States West Water Resources Corporation	Executive Summary for the Green River ASR and Alternate Storage Project, Church Reservoir Investigation	Dec, 2002
		Final Report for the Green River ASR and Alternate Storage Project, Church Reservoir Investigation	Dec, 2002
Clearview	Johnson-Fermelia Company, Inc.	Domestic Water System Evaluation for Clearview Improvement and Services District, Final Report	Sep, 1989
Dixon	Lidstone & Anderson, Inc	Town of Dixon Water Supply Project Level I	Oct, 1991
		Dixon Water Supply Project Level I Study, Final Report	Nov, 1991
		Town of Dixon Water Supply Project Level I, Final Report, Executive Summary	Nov, 1991
		Executive Summary for Dixon Water Supply Project Level II	Jan, 1994
		Final Summary for Dixon Water Supply Project Level II	Jan, 1994
Farson	Johnson-Fermelia Company, Inc.	Farson Water Supply Study, Level I, Final Report	Oct, 1990
		Farson Water Supply Study, Level I, Executive Summary	Oct, 1990
Fayette	Rio Verde Engineering	Fayette Irrigation District Rehabilitation Project, Final Report	Oct, 1999
		Fayette Irrigation District Rehabilitation Project, Executive Summary	Nov, 1999
Fish Creek	Rollins Brown and Gunnell	Fish Creek Dam, Geotechnical Study and Alternative Evaluations	Sep, 1984
		Fish Creek Collection System Progress Report on the North Platte River Studies	Apr, 1986
	Stone and Webster Engineering	Fish Creek Collection System, Interim Phase I Concept Design Report	Nov, 1986
		Fish Creek Collection System Interim Phase I Concept Design, Report, Executive Summary	Nov, 1986
Fremont Lake Dam	Rio Verde Engineering	Rehabilitation of Fremont Lake Dam	Sep, 1980
Granger	ARIX Corporation	Town of Granger, Wyoming Water Supply Project Level II Feasibility Study, Executive Summary	May, 1990
		Town of Granger, Wyoming Water Supply Project Level II Feasibility Study	May, 1990
	Forsgren Associates	Granger Water Supply Master Plan Level I, Final Report	Oct, 2000
		Granger Water Supply Master Plan Level I, Executive Summary	Oct, 2000
		Granger Rehabilitation Project Level II, Executive Summary	Dec, 2002
		Granger Rehabilitation Project Level II, Final Report	Dec, 2002
Green River	Western Wyoming College	WWC Water Quality Laboratory, Green River Basin Project	Jan, 1982
	Larry Pochop, Robert Burman	Development of Evapotranspiration Crop Coefficients and Climatological Data and Evapotranspiration Models for the Upper Green River	Mar, 1987
		Final Report on the Green River Tributaries #2 Instream Flow, Book 1 of 2	Dec, 2000
	JFC Engineers/Surveyors	Final Report on the Green River Tributaries #2 Instream Flow, Book 2 of 2 (Maps, Exhibits, Appendices)	Dec, 2000
		Green River Basin Plan, Executive Summary	Jan, 2001
		Green River Basin Plan, Final Report	Jan, 2001
		Green River Basin Plan, Technical Memoranda	Jan, 2001
		Green River Basin Plan, Technical Memoranda-AA, Irrigation Diversion Operation and Description	Jan, 2001
		Executive Summary for Green River Ground Water Recharge and Alternate Storage Level I Project	Dec, 2001
		Final Report for Green River Ground Water Recharge and Alternate Storage Level I Project	Dec, 2001

	States West Water Resources Corporation	Executive Summary for the Green River ASR and Alternate Storage Project, Church Reservoir Investigation (see Church)	Dec, 2002
		Final Report for the Green River ASR and Alternate Storage Project, Church Reservoir Investigation (see Church)	Dec, 2002
		Green River Supply Canal Report Phase I	Nov, 2003
		Green River Supply Canal Report Phase II, Conceptual Design-Rehabilitation	Dec, 2004
		Green River Supply Canal Report Seepage Study Report	Dec, 2004
		Final Report, Green River, Rock Springs, Sweetwater County, Joint Powers Water Board, Master Plan, Level I Study	Jan, 2007
		Executive Summary, Green River, Rock Springs, Sweetwater County Joint Powers Water Board, Water System Master Plan Phase I	Jan. 2009
		Executive Summary, Green River, Rock Springs, Sweetwater County Joint Powers Water Board, Water System Master Plan Phase 2	Jan, 2009
	Nelson Engineering	Final Report, Green River, Rock Springs, Sweetwater County, Joint Powers Water Board, Water System Master Plan Phase 2	Jan, 2009
Hams Fork	Greenhorne & O'Mara, Inc.	Hams Fork Basin Level II Investigations, Phase I Water Resources Analysis	Nov, 1984
		Hams Fork Basin Level II Investigations, Executive Summary, Phase I Water Resources Analysis	Nov, 1984
Jon's Drop	Dahlgren Consulting, Inc	Jon's Drop Hydropower Level II Study, Executive Summary	Oct, 2006
		Jon's Drop Hydropower Level II Study, Final Report	Oct, 2006
Kemmerer	MSM Consultants	Groundwater Availability Study Town of Kemmerer, Wyoming Plates	Jan, 1982
		Town of Kemmerer, Wyoming Groundwater Availability Study Vicinity of Kemmerer, Wyoming	Jul, 1982
		City of Kemmerer, Wyoming Water Supply Alternatives Level I Reconnaissance Study	Dec, 1982
	Greenhorne & O'Mara, Inc.	Kemmerer City Reservoir Rehabilitation Project Level II Feasibility Study	Nov, 1986
		Kemmerer City Reservoir Rehabilitation Project Level II Feasibility Study, Executive Summary	Nov, 1986
Little Snake	Wyoming Water Development Commission		
		Report to the Legislature Cheyenne Project & Little Snake River Water Management Preliminary	Jan, 1980
	Wyoming Game & Fish Department		
		Quantification of Trout Habitat that could be Impacted by Stage III of the Little Snake River Water Management Project	Oct, 1980
	Banner Associates, Inc	Little Snake River Water Management Project Feasibility Study	Nov, 1980
		Little Snake River Water Management Project Substantiating Report	Nov, 1980
	Development Commission	Report to the Wyoming Legislature and Governor, Little Snake River Water Management Project	Jan, 1981
		Little Snake River Water Management Project, Examination of Alternatives Preliminary Report	Oct, 1981
	Stone and Webster Engineering	Little Snake River Water Management Project, Technical Summary Report	Nov, 1984
		Little Snake River Water Management Project, Technical Summary Report (Draft)	Nov, 1984
		Little Snake River Water Management Project, Executive Summary	Nov, 1984
		Little Snake River Water Management Project, Fish Creek Collector System Yields	Jun, 1985
	Western Water Consultants	Final Report on Little Snake River Depletions by Pot Hook, Three Forks and Powder Wash Rights	Jul, 1990
	Resource Consultants	Sediment Transport Studies of the Little Snake, Yampa, and Green River Systems	Aug, 1991
		Little Snake River Basin Planning Study, Volume I, Executive Summary, Evaluation of the Baggs Water Supply, Treatment and Delivery System	Oct, 1992
		Little Snake River Basin Planning Study, Volume I, Final Report, Evaluation of the Baggs Water Supply, Treatment and Delivery System	Oct, 1992
		Little Snake River Basin Planning Study, Volume II, Executive Summary, Evaluation of Irrigation Diversion Dams and Principal Water Supply Ditches, Part A, Diversion Dams	Nov, 1992
		Little Snake River Basin Planning Study, Volume II, Final Report, Evaluation of Irrigation Diversion Dams and Principal Water Supply Ditches, Part A, Diversion Dams	Nov, 1992
		Little Snake River Basin Planning Study, Volume II, Executive Summary, Evaluation of Irrigation Diversion Dams and Principal Water Supply Ditches, Part B, Principal Ditches	Nov, 1992

	Western Water Consultants	Little Snake River Basin Planning Study, Volume II, Final Report, Evaluation of Irrigation Diversion Dams and Principal Water Supply Ditches, Part B, Principal Ditches	Nov, 1992
		Little Snake River Basin Planning Study, Volume III, Executive Summary, Irrigation Reservoir Investigations	Dec, 1992
		Little Snake River Basin Planning Study, Volume III, Final Report, Irrigation Reservoir Investigations	Dec, 1992
	Lidstone and Anderson	Little Snake River Basin Small Reservoir Development Project Level II, Final Report	Oct, 1998
		Little Snake River Basin Small Reservoir Development Project Level II, Executive Summary	Dec, 1998
	Burns & McDonnell	Final Environmental Impact Statement, Little Snake Supplemental Irrigation Water Supply, Carbon County, Wyoming	Jan, 1999
		Final Environmental Impact Statement, Little Snake Supplemental Irrigation Water Supply, Carbon County, Wyoming, Appendices	Jan, 1999
	Gannett Fleming	Little Snake River Dams Level II Studies, Executive Summary	Jul, 2003
		Little Snake River Dams Level II Studies, Final Report	Jul, 2003
Marbleton	JFC Engineers/Surveyors	Marbleton Municipal Water Well Number Six, Final Report of Drilling, Development and Testing	Jan, 2002
		Marbleton Municipal Water Well Number Six, Executive Summary of Drilling, Development and Testing	Jan, 2002
New Fork	Wyoming Water Development Commission	Report on the Feasibility of Providing Instream Flow in New Fork River Instream Flow Segment No. 1	Jan, 1990
North Uinta	Forsgren Associates	North Uinta County Improvement and Service District Water Supply Master Plan Level I, Final Report	Sep, 2000
	TriHydro Corporation	North Uinta Water Supply Project Level II Feasibility Study, Bear River, Wyoming, Executive Summary	Mar, 2003
		North Uinta Water Supply Project Level II Feasibility Study, Bear River, Wyoming, Final Report	Mar, 2003
Opal	Sunrise Engineering	Opal Regional System Level II Study, Executive Summary	Oct, 2000
		Opal Regional System Level II Study	Oct, 2000
		Opal Regional System Level II, Phase II Study	Sep, 2001
		Opal Regional System Level II, Phase II Study, Executive Summary	Sep, 2001
Pinedale	Johnson-Fermelia Company, Inc.	Pinedale Water Supply Project Level II, Phase II Report	Sep, 1993
		Watershed Management Control Plan, Pinedale Water Supply Project Level II	Sep, 1993
		Pinedale Water Supply Project Level II, Phase I Report	Sep, 1993
	TST Inc.	Town of Pinedale Water Supply Master Plan Level I, Phase 1 and Phase 2, Executive Summary	Nov, 1995
		Town of Pinedale Water Supply Master Plan Level I, Phase 1 and Phase 2	Nov, 1995
	Sunrise Engineering	Pinedale Hydropower Study Level II, Final Report	May, 2003
		Pinedale Hydropower Study Level II, Executive Summary	May, 2003
Rock Springs	JFC Engineers/Surveyors	Aquifer Testing of Ericson Formation for City of Rock Springs, Wyoming	Mar, 1984
		Drilling and Aquifer Testing of the Ericson Formation Phase II for the City of Rock Springs, Wyoming	Jan, 1986
	Forsgren Associates	Rock Springs Pipeline Level II Study, Phase I Report	Dec, 1988
		Rock Springs Pipeline Level II Study, Phase 2, Final Report	Jan, 1989
		Rock Springs Pipeline Level II Study, Phase 2, Final Report, Executive Summary	Jan, 1989
		Rock Springs Pipeline Level II Study	Jan, 1989
	Leon Kjellgren	Rock Springs East Water Supply Master Plan Level I, Executive Summary	Nov, 1995
		Rock Springs East Water Supply Master Plan Level I, Final Report	Nov, 1995
	Nelson Engineering	Westside/Rock Springs Water Supply Project Level II Study, Executive Summary	Oct, 1998
		Westside/Rock Springs Water Supply Project Level II Study, Final Report	Oct, 1998
Stewart Creek	Forsgren Associates	Stewart Creek Irrigation Pipeline Level II Study, Final Report	Dec, 1993
Upper Green	ARIX Corporation	A Report to the Wyoming Water Development Commission on the Pre-Feasibility Study of the Upper Green River Drainage Potential Reservoir Sites	Jan, 1983
		Status Report to the Wyoming Legislature on the Upper Green Level II Feasibility Project	Jan, 1983
	Development Commission	Upper Green Level II Storage Development Project Report to the Governor and Legislative Select Water Committee	Apr, 1983
		Upper Green River Storage Level II Study, Executive Summary	Feb, 2007
	Kleinfelder	Final Report for Upper Green River Storage Level II Study	Feb, 2007

	Short Elliott Hendrickson Inc	Upper Green River Westside Storage Study, Level II Final Report	Feb, 2009
		Upper Green River Westside Storage Study, Level II, Executive Summary	Feb, 2009
	Larry Pochop, Robert Burman	Development of Evapotranspiration Crop Coefficients and Climatological Data and Evapotranspiration Models for the Upper Green River	Mar, 1987
Upper Savery	Banner Associates, Inc	Upper Savery Storage Project Hydrology Investigation	Apr, 1983
		Upper Savery Storage Project Hydrology Investigation, Phase II and III	Apr, 1984
		Upper Savery Storage Project Hydrology Investigation	Jan, 1989
Viva Naughton	Glenn M. Mason	Geotechnical Evaluation of Viva Naughton Reservoir	Dec, 1984
	ECI	Viva Naughton Enlargement Level II Study, Final Report, Volume 1 of 2	Sep, 2004
		Viva Naughton Enlargement Level II Study, Final Report, Volume 2 of 2	Sep, 2004
		Viva Naughton Enlargement Level II Study, Executive Summary	Sep, 2004
	Gannett Fleming	Viva Naughton Enlargement Level II, Phase II Study, Interim Report	Mar, 2007
		Viva Naughton Enlargement Level II, Phase II Study, Executive Summary for Interim Report	Mar, 2007
Wamsutter	Sargent Irrigation Company	Report on Wamsutter Water Well Number 8	Feb, 1984
	Weston Engineering, Inc.	Wamsutter Water Supply Project Level II, Final Report	Nov, 1997
		Wamsutter Water Supply Project Level II, Executive Summary	Nov, 1997
Westside	Bureau of Reclamation	Special Study on the Westside Irrigation Project (Wyoming)	Sep, 1983
	Nelson Engineering	Westside Project, Plan Formulation Working Document, Final Report	Jun, 1985
	Bureau of Reclamation	Planning Report/Draft Environmental Statement on Westside Irrigation Project	Jan, 1988
West Side Canal	States West Water Resources Corporation	West Side Canal Rehabilitation of the Jon's Drop Structure and the Four Mile Flume Level II Study, Executive Summary	Oct, 2002
		West Side Canal Rehabilitation of the Jon's Drop Structure and the Four Mile Flume Level II Study	Oct, 2002
Wyoming	Boyle Engineering Corporation	State Water Planning Process Feasibility Report, Executive Summary	Oct, 1998
		State Water Planning Process Feasibility Report	Oct, 1998
	States West Water Resources Corporation	Guidelines for Development of Basin Plans, State of Wyoming Water Basin Planning Process	Feb, 2001
	WWC Engineering	Wyoming Framework Water Plan, A Summary	Oct, 2007
		Wyoming Framework Water Plan, Volume I	Oct, 2007
		Wyoming Framework Water Plan, Volume II, Planning Recommendations	Oct, 2007
	Development Commission	Testing of Hydrologic Models for Estimating Low Flows in Mountainous Areas of Wyoming Volume 1: User Guide	Jun, 2003
		Testing of Hydrologic Models for Estimating Low Flows in Mountainous Areas of Wyoming Volume 2: Supplemental Information	Jun, 2003
	Weather Modification, Inc	Wyoming Level II Weather Modification Feasibility Study, Executive Summary	Mar, 2005
		Wyoming Level II Weather Modification Feasibility Study	Mar, 2005
University of Wyoming Theses	Environmental & Natural Resources	Impacts of Wyoming Water Development Commission Regional Water System Projects on Land Use: An Analysis of Two Case Studies	Oct, 2008
	Uria, Carlos Aliaga	A Design Procedure for Low Head Side-Roll Sprinkler Systems	May, 1981
	Lyon, Mark L.	A Hydrologic Atlas of the Green River Basin, Wyoming	Jul, 1981
	Williams, Linda I.	A Model of the Green River Using the Wyoming Integrated River System Operation Study	Dec, 1995
	Holder, Davis C.	A Re-Evaluation of the Inflow-Outflow Equation for the Green River in Wyomin	May, 1960
	Meena, Jack M.	A Water Management Model for the Green River	May, 1993
	Binns, Niles Allen	An Inventory and Evaluation of the Game and Fish Resources of the Upper Green River in Relation to Current Proposed Water Development Programs	Jan, 1972
	Christensen, Allen D.	An Investigation of an Irrigation Project in Little Snake River Valley, Wyoming and Colorado	Jun, 1929
	Bell, A.A.	Controls on the Distribution of Copper in Surface Waters Associated with the Ferris-Haggarty Mine, Carbon County, Wyoming	May, 1996

	Lewallen, Nickolas John	Conveyance Loss Modeling of Two Wyoming Rivers	May, 1994
	Myers, Linda G.	Effects of Sewage Sludge Amendments on Reclaimed Orphan Minespoils in Wyoming	May, 1990
	Zarlengo-Pierce, Therese	Estimating Evapotranspiration in the Green River Basin Using National Weather Service Data Estimating Monthly Temperature and Precipitation Normals at Ungaged Sites in the Upper Green River Basin	May, 1988
	Yeamans, Frank	Estimation of Streamflow on Three Ungaged Streams in Wyoming	May, 1978
	Gao, Fang	Evaluation of the Effect of Advection on Evapotranspiration in the Green River Basin of Wyoming	Dec, 1987
	Bush, John Douglas	Investigation of Shore & Near-Shore Anomaly of Selected Water Quality Parameters in Flaming Gorge Reservoir	Feb, 1975
	Higley, Shawn T.	Numerical Simulation and Groundwater Storage Relationships Within the Muddy Creek Aquifer System	May, 1996
	Middleton, Marcus	Salt Content of Sediments Deposited Along Degraded and Improving Riparian Areas; Muddy Creek, Wyoming	Feb, 1992
	Binns, Niles Allen	Supplemental Data for an Inventory and Evaluation of the Game and Fish Resources of the Upper Green River in Relation to Current and Proposed Water Development Programs	1971
	Taggart, Richard J.	The Economic Possibility of Adapting New Technology in Sprinkler Irrigation to the Green River Basin	Oct, 1969
	Peterson, Roland A.	The Erodibility of the Muddy Creek Channel	May, 1993
	Kite, Rodney C.	The Impact in Southwestern Wyoming of Spending by Recreationists Visiting Flaming Gorge Reservoir	Aug, 1966
	Cooke, Steven D.	The Impact of Salinity-Related Water Quality Criteria and Standards on Water Development in the Green River Basin of Wyoming	May, 1982
	Follum, Michael Lee	Upper Green River Basin Precipitation Reconstructions and Drought Analysis	Jan, 2009
	Barnett, Faires Anthony	Upper Green River Basin Streamflow Reconstructions and Drought Variability	Dec, 2007
	Fannin, Timothy E.	Various Techniques for Estimation Riverine Water Quality Concentrations, and their Application to a General Loading Model for Flaming Gorge Reservoir, Wyoming	May, 1998
Water Research Series (WRS)	Kildebeck, James C., Orman H. Paananen, and John W. Birch	Projected Residential Water Requirements for the Platte and Green River Basins of Wyoming: 1965-2010	1967
	Kenney, Raymond K., and John W. Birch	Population Trends for the Platte and Green River Basins in Wyoming: 1890-2010	1967
Water Resource Publications (WRP)	Franklin, D.R., J.J. Jacobs and P.J. Farris	Water Resource Development Impacts in the Green River Drainage of Wyoming. Research Journal No. 189, Division of Agricultural Economics, Agricultural Experiment Station, University of Wyoming	1983
	Franklin, D.R., J.J. Jacobs and P.J. Farris	Projected Demands and Supplies of Water Under Alternative Energy and Agricultural Development Scenarios in the Green River Drainage of Wyoming. Technical Completion Report to the U.S. Department of the Interior (Agreement No. 14-34- 0001-2154, Project A-039-WYO)	1983
	Schumaker, J., B. Bajusz, L. Pochop and J. Borrelli	Predicting Temperature and Precipitation at Ungaged Sites in the Upper Green River Basin	1984
	Pochop, L., J. Borrelli and R. Burman	Development of Evapotranspiration Crop Coefficients, Climatological Data, and Evapotranspiration Models for the Upper Green River in Wyoming. Annual Progress Report to the Wyoming Water Development Commission and Wyoming Water Research Center	1984
	Pochop, L., J. Borrelli and R. Burman	Development of Evapotranspiration Crop Coefficients, Climatological Data, and Evapotranspiration Models for the Upper Green River in Wyoming. Annual Progress Report to the Wyoming Water Development Commission	1983

	Burman, R., L. Pochop and G. Kerr	Development of Evapotranspiration Crop Coefficients, Climatological Data, and Evapotranspiration Models for the Upper Green River in Wyoming	1985
